Grant from the Municipal Council, Chintamani towards the maintenance of Kuran pattasala at Chintamani.

SIR

I have the honour to state that Government in their order No.L.1169-70-1.63-40 dated 30th July 1940 sanctioned for a period of two years from Ist July 40 the payment of a grant of Rs.8/- per mensem for the maintenance of Kuran Pathasala in Chintamani Town. Sanction of Government for the continuance of the grant from Ist July 42 upto the end of the year 47-48 has not been obtained though the amount was continued to be paid from the Municipal Funds. The grant was however included in the budgets of the Municipality and sanction of the Council obtained every year. This omission was observed during the annual inspections of the Municipal office during 47-48 and the President was asked to send up proposals for ~~rectification~~ ratification This grant could however be sanctioned during the current year by the Council themselves in accordance with the recent delegation of powers to the Municipal Councils. But the payment of the grant from Ist July 42 to Ist July 48 requires to be ratified. I request you kindly to obtain sanction of Government to the continuance of the grant of Rs 8/- per mensem from Chintamani Municipal funds for the maintenance of this institution with effect from Ist July 42 to the end of June 1948.

Yours faithfully,

For Deputy Commissioner,
Kolar District.

Subject —

Explanation of the officers and officials for not obtaining previous sanction of Government to the expenditure incurred for the payment of grant to Kuran Pathasala from 1st July 1942 to 1st July 1948 in Chintamani Municipality

....

With reference to your letter No.L.13945 dated 28/5/1949 on the above subject, I have the honour to state that the officers and officials working in Chintamani Municipality during the above period have all been transferred to different places. It is difficult at this distance of time to obtain their explanations and submit them for orders of Government. The grant of Rs. 6/- per month was being included in the budget estimates of the Municipality every year and general sanction of Government was being obtained for the expenditure. The Municipal Office did not obtain separate and individual sanction for this expenditure. This omission may kindly be condoned and the correspondence closed as the school was actually functioning The President, however, has been requested to keep a careful watch in respect of such expenditure and obtain previous sanction of Government without fail, in future

Yours faithfully,

Deputy Commissioner,
